Wednesday 26th January 2022

Dear Parents and Carers,

We have had more positive cases reported overnight and are awaiting results from others who are unwell with symptoms. With this considered and the fact that we now have very low numbers in school, I have taken the decision to close school for the remaining 2 days of this week and move to remote learning. These couple of days, combined with the weekend will hopefully give us a pause in transmission within school and give unwell staff a chance to return.

School will therefore be closed for the remainder of this week and all students should return to school on Monday 31st January. This decision is supported by Birmingham City Council and UK Health Security Agency (UKHSA).

Please continue to update us with regard to symptoms and test results so we can plan for next week.

You can report any positive results over the rest of this week and over the weekend via email to s.davies@foxhollies.bham.sch.uk

Your child's teaching team will be contacting you to access home learning for your child over the next 2 days.

Many thanks for your continued support,

Sinead Davies

(Head teacher)
