Free School Meal Voucher update.

14th February 2022

Dear Parent/Carer,

As you have been aware throughout the Covid Pandemic the Government/Council have provided you with vouchers to be reimbursed at a supermarket of your choice, the funding for this was from the Household Support Fund.

The scheme to issue supermarket vouchers has now stopped with immediate effect so families will now need to apply for a grant from the Household Support Fund.

It is a £150.00 grant from the Government to support low income households with the following:

1. Food
2. Gas, electricity, water
3. Essentials linked to gas/electricity/water costs
4. Wider essentials
5. Housing costs

Please see link below for more information and how to apply:

Please note school are unable to assist with any queries about the Household Support Fund all information is available on the above link.

Many Thanks
