Autumn 2022

We hope that this will show you some of the amazing things our young people have done this term. As you can see, learning is a lot of fun!

WOW day

Pathway 2 celebrated the start of the Space topic by having a Wow Day! The students did lots of different activities to help learn about Space! In ICT they used the Green Screen to travel to another galaxy! They made rock cakes in food technology and used the drums and instruments in music to sing songs about space. They all went into the library to share the Goodnight Spacemen story, everybody had a great day. We love Wow Days!!

Bring the power

This term 2Si were invited to attend 'Bring the power' school festival. The event brought schools across Birmingham together to participate in activities such as wheelchair basketball, tennis, drama and dance. Students got the opportunity to meet and interview team GB athletes Siobhan Fitzpatrick and Delicious Orie. All pupils had lots of fun throughout the day and really enjoyed meeting Perry the mascot.

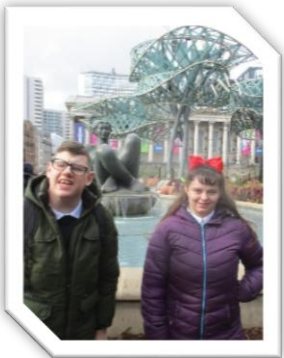

Macaroni Woods

During October we took most of KS4 and KS5 to Macaroni Woods. This was a work experience residential. Pupils gained experience of preparing and cooking their own healthy meals. Pupils also gained experience in horticulture by preparing beds for spring. Our target was to prepare 2 beds. Pupils exceeded all expectations by preparing 5! Well done Pathway 3!

Pollination

During September, pupils from Pathway 3 visited the Pollination Exhibition in the city centre, where they took part in a crafts workshop. The pupils really enjoyed looking at the plants and reading their free copy of the book "Our Planet".

Freefall

During November Pathway 3 pupils visited the Freefall dance show at Birmingham Hippodrome. Pupils watched a series of dances and enjoyed watching ex Foxhollies students tell their stories through dance.

Autumn workshare

Parents and students came together to celebrate the work we've done throughout this term. There was a dance performance, beautiful displays of work, and lots of lovely items to buy that the students had made. We made £380.91 which was a great effort!

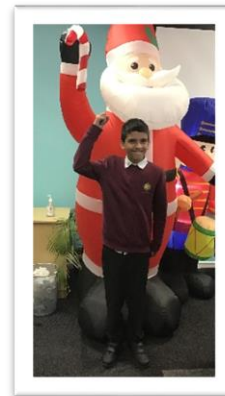

Out in the community

Pathway 4 have been getting out and about for community inclusion and have been adding a trip to the cafe to their regular park walk!

Joseph Chamberlain College

During December Pathway 3 were invited to Joeseoph Chamberlain College for a day of fun Christmas crafts, organised by Health and Social care students at the college. These are students that come to Fox Hollies on placement and wanted an opportunity to thank the pupils at Fox Hollies for all their hard work!

Christmas festivities

On Wednesday we had a day of Christmas fun! It was Christmas jumper day and we had a visit from Santa. We ate a yummy Christmas dinner and the day ended with bingo in the afternoon!

We hope you all have a wonderful Christmas break, and look forward to seeing the students back on Tuesday 3rd January 2023!
